Dear Sir:-

Re Canadian Industrial Peace Association

I have received from the R.G.McLean Co., Limited, an account for \$5.25, in connection with work they did for proposed Toronto branch of the Canadian Industrial Peace Association, as ordered by Mr. Scullin.

You will remember at the time on the instructions of the executive, I instructed McLeans to do nothing further at the work.

Has the re-organization been completed, or is it intended to complete the same? What shall I do with the account?

F/M.

Respectfully yours,

Frank J. Foley
